CONTAINER OFFICES

Our ground-level container offices provide convenient access to on-site office and storage space needs.

Modular Ground-Level Office Containers

Ground level office containers give you the ability to set up your space quickly and easily without the need of steps, ramps, tie-downs or skirting.

Ground-level office containers are available in three floor plans:

- 20' x 8' all office
- 40' x 8' all office
- 40' x 8' office/storage combo

All container offices are ISO-certified and have fully welded Core-Ten Steel corrugated exteriors for safety and security. Windows are protected with exterior guards that are made of welded steel and tamper-proof screws for easy replacement. The office area is equipped with heat and AC and to provide maximum comfort.

Features

Provides immediate access to ground level office space quickly

Offers a safe and secure, weather-proof environment for staff

Equipped with heat and AC
